

GETTING TO KNOW THE TEAM

WHAT IS YOUR SUPERPOWER?

I am really good at talking and knowing random facts about different things.

WHAT UPSETS YOU?

I get upset when students don't realise how good they actually are at Science - so I work hard to make them see it!

WHAT ARE YOU GOOD AT?

I am good at making Science lessons fun - and matching my make-up to my outfit!

WHAT DO PEOPLE NEED TO KNOW ABOUT YOU?

I am passionate about making science interesting for everyone! I have ADHD so I can be chatty, need to move around a lot and understand the need for breaking tasks down into small chunks!

WHAT IS YOUR FAVOURITE SAYING?

JAZZ MCCULLOUGH (SHE/HER) - SCIENCE TEACHER

WHAT DO YOU DO AT INCLUSION ?

I teach Science - in my class we do experiments and learn all about the world around us!
